

Billie J. Walker

December 15, 1942 - February 22, 2021

DUBLIN, TEXAS - Billie Joyce Walker "Mamaw" rested her eyes for the last time on February 22, 2021 when she entered the gates of heaven.

She was a top producer as a District Manager for Avon Products before she retired. After retirement, her greatest joy was spending time with her grand children. She spent many hours lifeguarding the family pool, making costumes or attending events. Her painting and crafting was remarkable to say the least. She always had an extra seat at the table for her kid's friends on game days.

She is preceded in death by her Son, Joe Carl Walker; Husband, Thurman Dwight Walker; Parents, William LeRoy Wyatt and Vera Belle Wyatt; One Sister, Lawanda Gray; Two Brothers, Robert Wyatt and Joe Wyatt.

She is survived by her daughters, Geneva Brooks and Husband, Ernie, Karen Edwards; and daughter in law, Lea Walker; Brother, Ronnie Wyatt and wife, Elaine; Brother in Law, Dennis Gray; Six grandchildren; eight great grandchildren, with another one due in April.

She will be missed and never forgotten. We love you Mamaw!

“ There are no words to express the sorrow in our hearts. May you draw comfort from God as he help you to cope with the loss of a wonderful person. With caring thoughts.

“ Billie and her sister (Lawanda) were very close all their lives. During their earlier childhood they played at Mimi's place and had a lot of good times with their youngest aunts. They waded in a nearby creek and swung across it on grapevines. One time they picked the entire crop of cucumbers (before they were ready) to be helpful. They later found out the hard way they weren't that helpful. They had a lot of good times and memories growing up. Even after they married, they still visited and talked with each other as much as they could.

During their teen years they double dated and swapped clothes with each other so they had more variations to wear. They had to help around the home with housework, cooking and caring for their younger brothers. Billie loved music and played the piano and she and her sister sang many duets together as well as sang in the church choir.

Billie was a very caring and loving person for her family and others. She was always ready to help wherever needed.

I know Billie is in Heaven with God and her family that have gone on before her and is playing the piano and singing in the Heavenly choir as she played and sang in the church choir many years ago. We will all miss her, but she is so much better off than here on earth. No hurting, worrying, sorrows or problems; just feeling wonderful.
