“ My sweet & beautiful friend Dora, you were so loving, so kind, always went the extra mile for everyone. You had the biggest heart & always ready to help anyone that needed it. I will miss you dearly, I will miss our long conversations we had together. All your stories you told me about you growing up & wonderful memories with all your Family & Children. You were the best friend I could've asked for & I will treasure all our beautiful memories. I remember very well the night before our Heavenly Father took you into the gates of heaven. You sounded so happy & you told me you were ready to go home with Diamond & get better. I was so happy and my heart felt joy. What little did I know, that the Lord wanted to take you home and free you of all pain. I know we cannot be selfish, but all of us we're not ready for you to leave us so soon. Please watch over all your family & friends from heaven. Until we meet again, we love you Dora. ☐

“ If roses grow in heaven,
Lord please pick a bunch for me,
Place them in my Mother’s arms
and tell her they’re from me.

Tell her I love her and miss her,
and when she turns to smile,
place a kiss upon her cheek
and hold her for awhile.

Because remembering her is easy,
I do it every day,
but there’s an ache within my heart
that will never go away...i love u mom. Thank u for everything. Tell dad hi. This is so
hard. Sorry i missed ur call that night i was asleep:(

Gina Ramos - March 11 at 01:03 AM

“ My Dora I love you so much I remember talking to you, telling you how much you
meant to me and I thank you for everything you’ve done for me thank you for picking
up the pieces when I needed it the most oh OK You have always giving genuine love
I knew this was coming but that doesn’t make things better you will be missed. In
the past you were always the one who got the whole family together for gathering. I
have so many beautiful memories with you and uncle Manuel I’m so heart broken
You know I had all the children I had because I always was with you all and loved
the big family RIP
