

## Esperanza "Hope" Hernandez

October 19, 1933 - March 29, 2021

Fort Worth - Hope was a beloved wife, mother, grandmother, great-grandmother, and sister with many relatives and friends. She lived a Blessed life and passed away ever so peacefully with her husband Felix of 67 years and her children by her side as she began her journey to Heaven.

Hope kept her devout faith in God through her 25-year affiliation with the Altar Society of Immaculate Heart of Mary and Saint Francis Village churches. Hope also had a career in education as a teacher assistant at Our Lady of Victory school for 27 years. After their retirement, Hope and Felix moved into a suite at the St. Francis village. It is affectionately known as the Hernandez lake house. Many a morning, afternoon and evening hours Hope and Felix would enjoy the view of the local lake from their back porch. They would reminisce about their life together. Hope said it was pure tranquility. Hope was at peace and now rests in peace in the presence of Our Lord, God.

Hope enjoyed many things in her life. Hope loved to read novels. This inspired her writing. Hope would log her thoughts and daily events into her personal journals. Hope was still writing into the final hours of her life and wrote these final expressions.

"Remember me when you hear the birds sing sweetly from the trees in the gentle breeze. Remember me as you look upon a sunset and admire its beauty.

Remember me in your heart, your thoughts and your memories of the times we loved, we cried, we fought, and when we laughed.

For if you think of me, I will never have gone."

Hope is preceded in death by her son, Richard, four sisters, two brothers, and her parents.

Survivors: Husband, Felix; and sons, Victor and wife, Penny, David and wife, Dora, Robert and wife, Amparo; and daughter, Anna with husband, Joe, and a legacy of 16 grandchildren and 30 great-grandchildren.

“ I have so many fond memories of my Aunt Hope when I was younger. I would stay at her house when I would visit during the summer. My favorite memories were our late night talks at the kitchen table and listening to her, my mom, and Aunts Cay, Helen, and Lupe telling stories and laughing so hard that we cried. Thank you for the happy memories! I'm so grateful to have had you in my life!
