“ While visiting his daughter in Pensacola, he volunteered in my woodworking class. It was a class of special needs children. Christie's Dad graciously took time cutting wood for our projects and getting to know our special needs students..What a wonderful heart, what a beautiful soul...

“ My uncle Wayne was one of the funniest and kindest people I ever knew. I always looked forward to seeing him on the few occasions we all could get together . I wish I had had more time with him, but as it is often the case, those we love the most are the ones we see the least. You were a treasure uncle Wayne, dearly loved and greatly missed.
