As his health declined, he was not able to be as involved with his great-granddaughters but loved to hear about all the things they were doing.

As a result of all the risks involved with social gatherings at this time, there will not be a funeral or a scheduled family visitation time. The family will have a private family memorial service to celebrate their lives with their Papa. The family also asks that in lieu of flowers, please consider making a contribution to the Alzheimer's Foundation.
