“ I haven't seen Greer in 30+ years. This just makes me so sad to hear - what an awesome and genuine man he was! Knew him from TAB. Never a day when that man couldn't make us laugh. Was so happy when he got married and we were so so happy for him. Such a good man. Pam, we never really knew each other, but I know you must be very special for him to love you like he did. He had a heart as big as Texas. Praying for you and Matthew.

“ Greer. What can I say? He was the kindest, most considerate, loving, tender-hearted man I have ever met. I so regret not spending more time with Greer and Pam -- time just seems to slip away. I had a great conversation with him a few weeks ago -- he was the same as always -- happy, sweet, witty -- such a good listener...he was my buddy...a true friend. I heart is filled with joyful memories and tears of sadness for our loss.

God Bless you and your precious family, Pam....you had a treasure standing beside

you for so many wonderful years. He will be in your heart forever.

“ Shocked and saddened. Jim (Greer as we at TAB called him) was one of a kind. A kind, generous soul with a great sense of humor. Sadly haven't seen him in years but thought about him recently. So very sorry for Pam and Matthew.
