

## Joseph Samuel Scully

May 20, 1960 - July 7, 2019

FORT WORTH - Joseph Samuel Scully, 59, passed away Sunday, July 7, 2019.

Joseph Samuel Scully, son of Virginia Schaeffer Scully and Robert Joseph Scully, was born on May 20, 1960, in Westbury, New York. Joe had an idyllic childhood, growing up on Long Island as the youngest of four children. A gifted athlete, Joe spent his days playing and excelling at sports of all kinds. Joe graduated from Clarke High School, and many years later, his beloved high school baseball coach remarked that Joe was the most talented player he had ever coached. Joe went on to attend Texas Christian University where he received the B.S. degree in 1982.

Following graduation, Joe pursued a career in advertising sales and eventually acquired Texas Student Services. He spent the next 35 years servicing the publishing and advertising needs of businesses, universities and multi-family properties throughout North Texas.

For Joe, nothing was more important than his family and his friends. Joe's greatest joy was spending time with his children, and he never missed an opportunity to be part of their lives. Joe had a huge heart and treasured every moment that he spent with friends spread across the country from New York to California. To know Joe was to love him. He will be dearly missed and forever in our hearts.

“ We are deeply saddened by the loss of Joe. He always had a smile and a hug to give. He was kind and warm and was a wonderful father. We will miss him and the warmth he brought to TVS.

“ I never once saw Joe, at the gym, at school, in the neighborhood, or just around town, when he didn't have a smile and a kind word for me, and I always left an encounter with Joe happier than I was before I encountered him. I think he was that way with everyone - always a delight and a privilege to see and know. I am deeply saddened by this loss, and will keep the extended Scully family in my thoughts and prayers.

“ I've had the honor to have been Joe's friend for over 30 years. Writing this, I've only one friend in my life that I've known longer. He wasn't one of the most, he was THE most positive, upbeat, loving friend you could have. Throughout all the years, it was abundantly clear that his family, from his parents to his children were paramount, and he cherished them. If you haven't been hugged by Joe, then you probably haven't met him more than twice. It was awkward for me at first; but now, when I make new friends, I make it awkward for them - I learned this from him. His face lit up, a huge grin, arms open wide, this is how I'll remember Joey, he is still my friend. And I miss him.

To his entire family, I'll be praying for you to grieve well, and I'm so so sorry for our loss.
