

Juan Jesus Hernandez

October 24, 1970 - November 2, 2019

FORT WORTH -- Juan Jesus "John" Hernandez was born October 24, 1970, in Fort Worth, Texas and passed peacefully with loved ones by his side on Saturday, November 2, 2019.

Memorials: In lieu of flowers, donations can be made to the National Kidney Foundation.

As a very active man in his community and church, John had a giving nature and one of the biggest hearts anyone would have been blessed to know.

Juan, John-John, Johnnyboy, Johnny Rockets, City Slicker, known to many who had their own special name for him because he was that special to everyone he met. He was a loving husband, dedicated Godfather, a one and only favorite son-in-love, an amazing uncle, a favorite cousin, a great friend and most of all, son of our Lord God.

John was a man of many voices, faces, stories and had an infectious laugh that was as big as his spirit. He lived a life in faith along with his wife, whom he loved dearly, with the utmost devotion and if there was anything that could be said about Juan, it was that there was nothing he wouldn't do for his family or his friends. His life was full of joy, adventures, laughs, passion and most of all, love. He could be found at Sam's Saloon belting out tunes singing his favorite Red Hot Chili Peppers, or Stone Temple Pilots songs or just singing to his heart's content. Anyone you asked would tell you he didn't back down from challenges and he most definitely wasn't shy. It was this passion for life that made him so irresistible.

He was preceded in death by his father, Jesus "Chuy" Hernandez; his mother, Gloria Hernandez; and his brother, Francisco "Chico" Hernandez.

He is survived by his loving wife of 15 years, Norma P. Hernandez; and numerous, aunts, uncles, cousins, nieces, nephews and friends.

There are no words to express how much he will be missed!

“ Words can't even begin to describe the heartbreak, the feeling of not having you here any longer. Please know that I am beyond blessed that you were in my life, that you thought of me no matter how far apart we were from one another, you made the distance disappear. That just speaks volume on the type of person & friend you were. You were an angel sent, and you will continue to be an angel from above. I'm grateful

that I was able to be with you & sing with you just last week. I love you deeply, I hope you felt that because you meant so much to me. You will be missed greatly and thought of daily. I pray that you are at peace.

“ You were truly a light in this world. You always made me smile with a silly Facebook comment, a big hug, or a new song you wanted to sing. You made every place better just by being there, and the world feels dimmer without you in it. Rest well, my sweet friend. I miss you.

“ We have all been very blessed to have known you. You always made everyone around you feel they were so special. You shined a great bright light on all the world around you. You lived your faith and expressed the love of Christ in everything you did.

Saying goodbye is so hard. We all know that we have been truly blessed. A very special soul has crossed all our paths, and touched our lives.

“ I don't even know how to process this loss yet. My cousin John, Juan Hernandez, left us to join his family in the afterlife yesterday afternoon. To call him my cousin wouldn't even begin to explain how I feel about this amazing human being. I am beyond heartbroken. Yes he was my cousin, but more than anything he was truly my brother, my friend, my protector, my confidant and one of the handful of people that truly loved me always with an unconditional, non judgemental, and kind heart. That's just who he is was to so many people.

When he found his soulmate, Norma Hernandez, which yes, was my "fault" , I knew he'd found his match in every way. I knew he'd found someone that would love him just as fiercely and passionately as he loved and match his fiery nature with the right amount of tenderness to tame his lion heart. Finding his true love and soul mate made my heart happy and now my heart hurts more than I can even say. It hurts that we'll no longer hear that laugh that could fill a room or his calls greeting me with "Ello luv" in his British accent and for so many more reasons that I'd run out of room to list.

John, you blazed through our lives like a bright light and we werw blessed to have

you for as long as we did. I will miss you for the rest of my days.

“ It seems so unreal that you are truly gone. Just letting you know you missed dearly on earth. Every moment spent with you and Norma always felt special to me. Never have I ever someone who showed so much compassion and love. As selfish as I want to be I wish we had more memories together. I could always count on you and Norma to lift my spirits high.

Kari Evans - November 04 at 09:04 PM

“ I love you, Kari!! Your family has always been so amazing to us and he did love you so very much.

Norma - November 05 at 02:26 AM

“ We loved you guys so much. Spending that Christmas together was forever special to us. Please know you are still part of our family and we love you dearly and will always be there for you. Don't be shy to ask for anything. John would want us to be the biggest support for you. He was a wonderful soul not many could make strangers feel as welcome as he did.
