“ My love and support to Bryan, Amber and the family. Growing up, our cousins were my best friends. Such happy memories of Kathryn's family, my Aunt Alice's family, Aunt Irene's family. Had all holidays, birthdays and gatherings at our Grannie's in Boyd and any reason to get together.
Kathryn was fun. Different. Had her own thoughts and actions. Non-conformist. Our Grannie gave us all the interest in fortune telling and visions. Every morning at breakfast, she would read the coffee grounds and we couldn't wait to see if what she said would happen that day. To think that Kathryn would follow her path would really have made her proud. We are already missing her and very sad that we couldn't

memorial her in the way to show her how much she meant to us. RIP
Kat. My God forgive those making this hard on our family.

“ Wow! I'm in total shock. I have been calling Kat for the last few weeks trying to get into contact with her. I have known her since I was a little girl and she has made a Huge impact on my life. My father passed away when I was 10 years old. My mother wanted my brother and I to have closure with him, so she introduced us to Kat. I continued to talk with her throughout my life and the last we spoke was around December I believe. I am so sorry that she has passed. She will truly be missed. We love and miss you Kat.
