“ Jack served the community of Crowley in the 1960's and 1970's before being transferred by his company. I had the pleasure to work with Jack in the Crowley Volunteer Fire Department, where he served as Chief, and also with Jack as a volunteer police officer before Crowley had any paid police. Jack also served on the Crowley City Council. Jack was my friend for over 65 years and one could not ask for a more loyal and trusting friend. God bless you Jack. Henry Baldwin
