“ Mi esposa por vida,

If I had only known, I would have been by your side. I choose to believe God spared me from seeing you like that. My Anthony was strong, stubborn, & so full of life & it would have broken my heart much sooner. Loved One, I am so sorry for so many things -- especially evil, hateful words. I know YOU knew my heart & I pray you forgave me for my mouth. We can't take those words back once they're out there...oh, how I wish we could. But, I also know we had MANY heart-to-hearts & I saw a side of you few, if any, rarely saw. The sweet, childish boy who teared up when telling me of childhood incidents & memories; the 6-hr ordeal (haha) of watching you install a deadbolt; the hand on heart moments (my favorites) when words were hard to say & unnecessary; the love between you & LilMissMolly. So many memories that I will cherish forever. You have always been & will forever be the love of my life. I'll see you on the other side.

My love forever,
Sharon

“ Loved one, I'm struggling for words to say. For 40 yrs, we had a bond that many will never understand & they don't need to - we knew. I cannot believe you will never call me out-of-the-blue or show up on my doorstep again. Our last conversation was a good one & I am thankful for that. I wish there wasn't such a fine line between love & hate but, sadly, we had to jump off that tightrope. I just never expected it to end so soon &, certainly, not like this. Rest in peace with the angels.

Tu esposa, mi amor.

“ To the Garza Family,

Words are hard to come by because we are deeply saddened and shocked to hear of Anthony's passing!
Our family goes way back with Anthony - I believe around 40 years now?
I can still remember those long weekend card games and jumping all over him for cheating. Then wondering who was going to stop long enough to go pickup our food. Those were fun times and memories we'll hold within our hearts.

Please accept our sincere Sympathies & Condolences. Our prayers are that he found Peace in God's comfort - God Bless You All . . .

“ Condolences to the Garza Family! May he RIP...From the Mother of his first born daughter, Tiffany, who was born five days shy of his birthday, July of 1982.

“ Veronica, I am sorry Tiffany wasn't listed. We were separated but I just learned of his death on his birthday. Awful way to find out, a month later but, at least, Tiffany was aware.

Prayers & condolences to her.

“ Knew Anthony well in school. had the opportunity to visit with him quite a while a few years ago. He didn't look well and we talked about that. We had a nice visit and talked about old times at Meacham and DHJ..glad I had the opportunity to visit with my old buddy. He is at peace now and all is good. Prayers to his Mom and Dad may you find comfort in the Lord.
