

Leonard Lynwood Buch

February 11, 1936 - October 20, 2020

HOT SPRINGS VILLAGE, ARK - Leonard L. Buch (Len), 84, of Lebanon, PA crossed over on October 20, 2020.

Len is survived by Janice (Jan), his spouse and love of his life for over sixty-three years, by his sons Kevin and Keith, and by his brother Leroy. Len also leaves behind a rich legacy of friends and colleagues, as he was the type of person that led by example and attracted like-minded folks to him.

Len spent almost his entire working life in service to our Nation. Len was a decorated twenty-year veteran of the USAF Strategic Air Command (SAC) first in the Sentry Dog program with his beloved four-foot partner, "Count" then in SAC Command Post Control. The last eleven years of his service were with the Federal Emergency Management Agency (FEMA) as a supervisor in a Mobile Emergency Response unit, which included working the on-scene FEMA response to the Oklahoma City bombing of 1995 and several major tornados. Along the way Len earned a BS degree in Marketing from the University of Texas-Arlington. Len's well-earned retirement was spent with Jan on the golf courses of Hot Springs Village, AR as the founding members of the now infamous "Buch Group". Len and Jan received great support from Kindred Hospice and donations in Len's name can be made to the Kindred Hospice Foundation, 3350 Riverwood Parkway, Ste. 1400 Atlanta, GA 30339.

“ Len and I shared many stories of our time in the USAF and FEMA. Always a true gentleman, I don't ever recall him having any disparaging remarks about anyone. His legacy will shine brightly! John Ogburn
