“ Leslie was my hero growing up. I wanted to be just like him. I was probably his first opponent in football playing in the front yard with trees for goal posts. I learned an appreciation for football going to all his games. Later in life we enjoyed going to the Fort Worth Stock Show and Rodeo. Every time I light a match I think of the time he asked if I wanted to see a match burn twice. Being 8yrs old and naïve, I said sure. He promptly lit a match, blew it out and stuck it on my arm. Ouch! I am sad that we can't spend more time together in our golden years but I know he is in a better place. I will always remember the good times we had. I will always love you, Leslie.
