“ I've had the pleasure of hunting with Mike and listening to his stories during the season. It was great to have him at my dad's birthday to shoot skeet and will be a favorite memory of mine for years to come.

“ Mike was a dear friend. He would help out in any situation needed. Mike was one of the first I met at the gun club over 10 years ago and we were friends from the start. His favorite caliber was the 270 and had plenty of pictures and stories. Mike will be missed dearly at our club and by many.
