“ We can't begin to imagine what you are feeling, but please let us share our deepest sympathy.
In times of distress we need comfort that soothes our hearts. May the peace of God guard your hearts. Truly sorry for your loss.

“ Patricia was such a good friend in school. We were in band together, competing clarinets, although Pat always beat everyone in competitions for first chair. She hung with Candy and Carol and Judy and I...singing together, laughing and making fun band memories! She will truly be missed! Thoughts and prayers to her son and family. Always in our hearts...

“ I was shocked and saddened when I got the text from Cindy about Patricia's passing. I have so many fond memories of Patricia, Cindy, Candy, Judy & I. I called her so many times, I actually believe I remember the Brand's phone number being PE8-9550? Patricia was so smart and so talented and though I didn't see her very much through the years, there is something about knowing your old friends are out there that is strangely comforting. I guess it's the history we all share. Peace to you and your family, Pat. You are missed.
