

Rebecca "Becky" West

August 26, 1946 - October 21, 2020

Rebecca Lou Ross came to life August 26, 1946 in Fort Worth, Texas and never moved away. Daughter of John Thomas Ross and Gladys Cagle Ross, Becky grew up in the Haltom City area where she graduated from Haltom High School in 1964. She left this world to be with those who went before her on October 21, 2020.

Whether you knew her as Rebecca, ♠BeccaLou, Becky, BobbyJoeAmburgie, Moms or Buttwipe, you knew three very important things: her smile was stupid infectious, her love for animals (to the specific: cats) was without limit and her sewing/crafting talent was incredible. Dental Assistant, bookkeeper, seamstress, cook, baker, (not a candlestick maker), crafter, camper, homemaker, thrift store enthusiast and overall bargain hunter ♠. Jane of most things (she was out on yardwork and vehicle repair). Self-made and sassy. Loving, caring, friendly, and generous. Daughter, sister, aunt, wife, mom. We are all better people for having had her in our life.

It is hard to know exactly how she truly felt about travel and adventure before she met John Patton West, but thankfully that opportunity solidified itself when they wed November 22, 1967 and so began the fun ♠ they had 53 years of road trips, camping, and powwows, Girl Scout functions, softball tournaments, and hockey games, Red River off-road antics and an Alaskan Cruise. Becky and John were also kind enough to, very often, include family, extended family and friends on many of their trips.

She's joining her parents, a sibling and many aunts and uncles in Heaven. Remaining to remember and honor her are her husband and daughter, her brother and sister, several nieces and nephews and an extended family that is large and wide.

For many reasons, the family has chosen an open air graveside visitation from 1-2pm on October 31, 2020 at Mount Olivet Cemetery, 2301 N Sylvania Ave, Ft Worth, TX 76111 with the interment to immediately follow at 2-3pm. John has requested the men in attendance to wear white shirts and jeans and highly suggests the women to dress comfortably (as the event is all outside). There have been tables reserved on the patio at Cooper's BBQ on the North Side for anyone who wished to share food, fellowship and love after the internment.

The family does not wish anyone to jeopardize their health and understands if you choose not or cannot attend. Donations to charities of your own choosing can serve as an honor

to Becky's memory, in lieu of flowers.

“ Becky and John Pat really supported Cheyenne during her princess year at both TIHA and National powwow. They're friendliness also brought joy. One memory is Becky furiously bidding on auction items against other TIHA members~she usually wore them down.

“ Becky and I met around 1970 and have been close friends ever since ,actually family. we always said that we was sisters from different mothers. She went with me to Houston to see my only sister just before she passed in 1977 and has always been there for me through all the highs and lows of my life and I with her. I remember when Cynthia was born and we couldn't wait to get to Ft Worth to see her and when Cynthia was about 5 she trusted me enough to let me take her home with me to Mesquite for a few days and what fun we had with her.
Oh and our shopping trips, hitting all the thrift stores and there was a lot of times we would get together and sew all day.
Becky ,John and Cynthia are family to me and I Love them all dearly

“ To share just one is hard as I have many. When I first meet both Becky and John was when I was introduced to TIHA back in 1983. I was invited to their house so she could teach me to make a Southern dress. Our friendship grow over the years. I will miss seeing her smiling face at the powwows. Trish

“ I met Becky and Pops in 2018 when my son started playing with the Lone Star Brahmas and I loved her sweet face and accent immediately. I always tried to spend one of the periods of the hockey games with her when I was in town. I was so sad to hear of her passing. Pops, I can't imagine how you're doing, but I'm thinking of you. Cynthia, my condolences to you too. It's an enormous loss to you both and anyone who knew her.
My love to you both, Susan Telleria-Guerra

“ Becky and I grew up together, we went to school together, and worked together for 22 years. One of our customers found out she was my sister. He wanted to know how I could work with my sister all the time. My reply was “I couldn’t work without her”. I will miss her dearly.
