“ We met Bob and Claudia shortly after moving to Weatherford. As neighbors for many years, our kids did their best to disturb his peaceful retirement - probably driving him nuts - playing in his immaculately kept yard. But in times of need, they were always there to help. He shared some of his knowledge of aviation with our children, and patiently entertained them while we were in the ER with others. As an avid fan, he always shared his opinion on the Cowboys with me.

We know the past few years were difficult for Bob, Claudia and their family, but he was so blessed to have them for their love and help.

Mr. Redding will be missed. Although we cannot be there to celebrate his life, we will be with you in spirit. A donation to Cooks Children's Hospital will be made in his name.

Eternal peace be granted to Bob. May perpetual light shine upon him. May he rest in peace. Amen.

With love, the Motts - Lorren, Michele, Garrett, Natalie, Michaela, Wyatt and Katrina

“ What a beautiful tribute to my sweet dad. Thank you to all of the Mott family for all you have done for my parents. You all have a very special place in our hearts.

“ Prayers for all Bob's chillun during this difficult time. As advised, we will be keeping our creaking selves out of crowds, but our hearts are with you. My very first memory of Bob was at a Newcomer function when he introduced himself thus; "My name is Bob Redding, and I like to eat!" So in lieu of flowers, we are making a donation to "Meals on Wheels."
