Comments

“ May God comfort the Price family during this time of great loss. There is a sense of helplessness when someone we love dies. Many wonder how one gets through this time. Take time to reflect on the good times you shared with your love you ones. Prayer is extremely valuable.

“ Ronnie has been my neighbor for over 20 years, he was such a kind man, and a hardworker. I worked with his wife for a little while, and she adored him, they had that special something that makes this world a wonderful place to be. Ill miss seeing him out and about in the yard. Rest in peace Ronnie.

“ I knew Ronnie for over 40 years. He was the sweetest, kindest, and funniest man I knew, and, the only dad that ever cared about me and who helped me soooooo many times without question. Besides funny jokes he'd share, he use to love to take me and my mom driving around and me and mom would be engulfed in conversation and all the sudden he press on the breaks and scream and then he'd burst out laughing, and after me and mom would catch our breath we'd burst out laughing too. Or me and mom would be in the bathroom having girl time, and all the sudden Ronnie would come into the doorway and scream and just laugh and laugh. But he loved being silly like that. I am going to miss him forever, along with Betty his mom who was my grandmother, and now they're in heaven together, but I'll see ya'll again man. You're the best. Love you always. Tammy
