“ Tina, came into my families life over 18 year ago. She was a wonderful caring person who loved to have fun and spend time with her family. Her family was her heart and once you were her friend you were there forever. I'm very fortunate to have had her in my life and will cherish my memories. She will be missed but will have a life long impact on me and my family.

“ This lady was always my friend as well as a sister n law. But in our later years she was more like a sister. I was lucky enough to spend some time with Tina one-on-one with yummy lunches and a trip to the local Ross or TJMaxx. Late night snacks and TRASH TV. I loved Tina so much and was lucky to have her in my life as well as Larry her brother (just to let you know her favoeite name for him ButtHead) and my children Bobby and Molly. My kids could not have asked for a more caring and loving Aunt. She always made them feel so welcome in her home and just made them feel special.

Ken, Kingsleigh and Killiane I love you all so much. I'm there for you at anytime. A phone call and 3.5 hrs. I'll keep a bag packed and ready to come at any time. Tina only had thoughts for what made you guys happy. She loves you all so much and was very proud. There's nothing like a proud Mama. Ken there are no words. You made her feel very special and loved.

Love you all and know that Tina is not suffering anymore and walking the beautiful streets of Heaven.
