“ As a member of the first class to attend Western Hills High School, I would like to say that Mr. Morrow was a loved principal. As an adult, I realize what a monumental job it must have been to open a new high school. Mr. Morrow did an exceptional job and we very much appreciate everything he did for us. We have added his obituary and photo to the WHHS Gone But Not Forgotten Facebook page where his students and faculty are sharing their condolences and memories. Thank you to his family for sharing him with us. I pray that your memories will comfort you in this time of sorrow.
